| <i>Foreword to the student edition</i> | <i>iii</i> |
| <i>Introduction and guidelines for use</i> | <i>v</i> |
| <i>Quick reference to the guidelines</i> | <i>xx</i> |
| <i>Acknowledgements</i> | <i>xxiii</i> |
| <i>List of contributors to the student edition</i> | <i>xxiv</i> |
| <i>List of abbreviations</i> | <i>xxx</i> |

PART ONE

| | |
|--|-----------|
| 1 The context of nursing | 3 |
| Introduction | 3 |
| What is nursing practice today? | 3 |
| Patients' perspective | 3 |
| What do organizations want from nurses? | 12 |
| Conclusion | 21 |
| References and further reading | 22 |
| 2 Assessment and the process of care | 27 |
| Introduction | 27 |
| Principles of assessment | 28 |
| Structure of assessment | 29 |
| Methods of assessment | 32 |
| Decision making and nursing diagnosis | 36 |
| Planning and implementing care | 39 |
| Evaluating care | 42 |
| Documenting and communicating care | 42 |
| Summary of recommendations and guidance for practice | 44 |
| References | 46 |
| Multiple choice questions | 52 |

x Contents

| | |
|--|-----------|
| 3 Communication | 54 |
| Reference material | 54 |
| Procedure guidelines: Provision of information | 57 |
| Conclusion | 75 |
| References | 75 |
| Multiple choice questions | 79 |

PART TWO

| | |
|---|-----------|
| 4 Aseptic technique | 83 |
| Reference material | 84 |
| Procedure guidelines: Apron: putting on and removing a disposable plastic apron | 96 |
| Procedure guidelines: Aseptic technique | 99 |
| Procedure guidelines: Hand washing | 102 |
| Procedure guidelines: Non-sterile gloves use | 107 |
| References and further reading | 110 |
| Multiple choice questions | 116 |

| | |
|--|------------|
| 5 Barrier nursing: nursing the infectious or immunosuppressed patient | 117 |
| Barrier nursing | 117 |
| Reference material | 118 |
| Source isolation | 124 |
| Reference material | 125 |
| Procedure guidelines: Isolation of source of infection | 135 |
| Antimicrobial-resistant organisms | 142 |
| Reference material | 142 |
| <i>Clostridium difficile</i> | 151 |
| Reference material | 151 |
| Hepatitis | 154 |
| Hepatitis A | 154 |
| Reference material | 154 |
| Procedure guidelines: Hepatitis A: patient care | 157 |
| Hepatitis B | 159 |
| Reference material | 159 |
| Procedure guidelines: Hepatitis B: patient care | 164 |
| References and further reading | 169 |
| Multiple choice questions | 202 |

| | |
|---|------------|
| 6 Cardiopulmonary resuscitation | 205 |
| Reference material | 206 |
| Procedure guidelines: Cardiopulmonary resuscitation (CPR) | 221 |

| | |
|---|------------|
| References and further reading | 227 |
| Multiple choice questions | 230 |
| 7 Discharge planning | 232 |
| Reference material | 232 |
| Procedure guidelines: Discharge planning | 246 |
| References and further reading | 252 |
| Multiple choice questions | 254 |
| 8 Drug administration: general principles | 255 |
| Reference material | 255 |
| Injections and infusions | 275 |
| Summary | 289 |
| Procedure guidelines: Self-administration of drugs | 290 |
| Procedure guidelines: Oral drug administration | 292 |
| Procedure guidelines: Injections: administration | 297 |
| Procedure guidelines: Rectal medication administration | 307 |
| Procedure guidelines: Vaginal medication administration | 307 |
| Procedure guidelines: Topical applications of medication | 309 |
| Procedure guidelines: Administration of medication in other forms | 310 |
| Procedure guidelines: Continuous infusion of intravenous drugs | 313 |
| Procedure guidelines: Intermittent infusion of intravenous drugs | 317 |
| Procedure guidelines: Injection (bolus or push) of intravenous drugs | 323 |
| Problem solving: Injection and infusion of intravenous fluids and drugs | 328 |
| References and further reading | 338 |
| Multiple choice questions | 344 |
| 9 Drug administration: delivery (infusion devices) | 346 |
| Reference material | 347 |
| Infusion devices | 359 |
| Gravity infusion devices | 359 |
| Infusion pumps | 360 |
| Summary | 367 |
| Procedure guidelines: Syringe driver: monitoring and infusion | 368 |
| Problem solving: Syringe drivers | 369 |
| References and further reading | 371 |
| Multiple choice questions | 374 |
| 10 Elimination: bladder lavage and irrigation | 375 |
| Reference material | 376 |
| Procedure guidelines: Bladder lavage | 382 |

xii Contents

| | |
|---|------------|
| Procedure guidelines: Urinary catheter: maintenance solution administration | 385 |
| Procedure guidelines: Continuous bladder irrigation | 388 |
| Bladder irrigation recording chart | 390 |
| Problem solving | 392 |
| References and further reading | 393 |
| Multiple choice questions | 397 |
| 11 Elimination: bowel care | 398 |
| Reference material | 398 |
| Procedure guidelines: Bedpan use: assisting a patient | 399 |
| Procedure guidelines: Commode use: assisting a patient | 401 |
| Enemas | 416 |
| Reference material | 417 |
| Procedure guidelines: Enema administration | 418 |
| Problem solving: Enema administration | 421 |
| Suppositories | 422 |
| Reference material | 423 |
| Procedure guidelines: Suppository administration | 424 |
| References and further reading | 426 |
| Multiple choice questions | 430 |
| 12 Elimination: stoma care | 432 |
| Reference material | 432 |
| Procedure guidelines: Stoma care | 451 |
| Problem solving: Stoma care | 453 |
| Useful addresses | 454 |
| References and further reading | 454 |
| Multiple choice questions | 458 |
| 13 Elimination: urinary | 460 |
| Reference material | 461 |
| Procedure guidelines: Urinary catheterization | 472 |
| Procedure guidelines: Urine specimen collection: catheter (CSU) | 479 |
| Procedure guidelines: Urinary catheter bag: emptying | 481 |
| Procedure guidelines: Urinary catheter removal | 482 |
| Problem solving: Urinary catheter | 483 |
| Penile sheaths | 487 |
| Reference material | 487 |
| Procedure guidelines: Penile sheath application | 488 |
| References and further reading | 490 |
| Multiple choice questions | 495 |

| | | |
|-----------|---|------------|
| 14 | Intraleural drainage | 497 |
| | Reference material | 498 |
| | Procedure guidelines: Intraleural drain insertion | 508 |
| | Procedure guidelines: Intraleural drain: changing the bottle | 515 |
| | Procedure guidelines: Intraleural drain removal | 516 |
| | Problem solving: Intraleural drainage | 520 |
| | References and further reading | 522 |
| | Multiple choice questions | 524 |
| 15 | Last offices | 525 |
| | Reference material | 525 |
| | Procedure guidelines: Last offices | 527 |
| | Issues specific to critical care | 533 |
| | Procedure guidelines: Last offices: additional considerations in critical care | 534 |
| | Problem solving: Last offices | 536 |
| | Procedure guidelines: Last offices: requirements for people of different religious faiths | 538 |
| | References | 544 |
| | Further reading on religious faiths | 546 |
| | Multiple choice questions | 550 |
| 16 | Lumbar puncture | 551 |
| | Reference material | 552 |
| | Procedure guidelines: Lumbar puncture | 558 |
| | Problem solving: Lumbar puncture | 562 |
| | References and further reading | 563 |
| | Multiple choice questions | 565 |
| 17 | Nutritional support | 567 |
| | Reference material | 568 |
| | Procedure guidelines: Weighing the patient | 591 |
| | Procedure guidelines: Feeding an adult | 592 |
| | Procedure guidelines: Nasogastric intubation with tubes without using an introducer, e.g. a Ryle's tube | 594 |
| | Procedure guidelines: Jejunostomy feeding tube care | 597 |
| | Procedure guidelines: Enteral feeding tubes: administration of medication | 598 |
| | Problem solving: Swallowing difficulties | 601 |
| | References and further reading | 605 |
| | Multiple choice questions | 609 |

| | | |
|-----------|---|------------|
| 18 | Observations | 611 |
| | Pulse | 611 |
| | Reference material | 611 |
| | Procedure guidelines: Pulse measurement | 618 |
| | Blood pressure | 620 |
| | Reference material | 620 |
| | Procedure guidelines: Blood pressure (manual) | 632 |
| | Respiration | 635 |
| | Reference material | 635 |
| | Procedure guidelines: Pulse oximetry | 650 |
| | Peak flow | 652 |
| | Reference material | 652 |
| | Procedure guidelines: Peak flow reading using manual peak flow meter | 654 |
| | Temperature | 656 |
| | Reference material | 656 |
| | Procedure guidelines: Temperature measurement | 666 |
| | Urinalysis | 667 |
| | Reference material | 667 |
| | Characteristics of urine | 669 |
| | Procedure guidelines: Urinalysis | 671 |
| | Blood glucose | 673 |
| | Reference material | 675 |
| | Procedure guidelines: Blood glucose monitoring | 680 |
| | References and further reading | 682 |
| | Multiple choice questions | 689 |
| 19 | Observations: neurological | 692 |
| | Reference material | 692 |
| | Procedure guidelines: Neurological observations and assessment | 705 |
| | References and further reading | 710 |
| | Multiple choice questions | 712 |
| 20 | Pain management and assessment | 714 |
| | Reference material | 714 |
| | Procedure guidelines: Pain control: assessment and education of patient prior to surgery | 741 |
| | Procedure guidelines: Pain assessment chart: chronic | 743 |
| | References and further reading | 744 |
| | Multiple choice questions | 752 |

| | | |
|-----------|---|------------|
| 21 | Pain management: epidural and intrathecal analgesia | 754 |
| | Reference material | 756 |
| | Procedure guidelines: Epidural/intrathecal catheter insertion | 765 |
| | Procedure guidelines: Epidural/intrathecal catheter for chronic pain management: post-insertion management | 768 |
| | Procedure guidelines: Epidural/intrathecal exit site dressing change | 769 |
| | Procedure guidelines: Epidural/intrathecal catheter removal | 771 |
| | Problem solving: Epidural/intrathecal infusions of local anaesthetic agents and opioids: management of side-effects | 772 |
| | Problem solving: Epidural/intrathecal insertion: complications | 774 |
| | Problem solving: Epidural/intrathecal catheter: issues with pump and site | 776 |
| | References and further reading | 778 |
| | Multiple choice questions | 782 |
| 22 | Perioperative care | 783 |
| | Preoperative care | 783 |
| | Reference material | 784 |
| | Procedure guidelines: Antiembolic stockings: fitting and wearing | 788 |
| | Procedure guidelines: Preoperative care | 793 |
| | Intraoperative care | 797 |
| | Reference material | 797 |
| | Procedure guidelines: Intraoperative care | 802 |
| | Postanaesthetic recovery | 804 |
| | Reference material | 805 |
| | Procedure guidelines: Postanaesthetic recovery | 808 |
| | Problem solving: Postanaesthetic recovery | 812 |
| | Procedure guidelines: Postoperative recovery | 817 |
| | References and further reading | 820 |
| | Multiple choice questions | 824 |
| 23 | Personal hygiene: eye care | 826 |
| | Reference material | 826 |
| | Procedure guidelines: Eye swabbing | 839 |
| | Procedure guidelines: Contact lens care | 841 |
| | Procedure guidelines: Eye drop instillation | 843 |
| | Procedure guidelines: Eye ointment instillation | 845 |
| | Procedure guidelines: Eye irrigation | 847 |
| | Procedure guidelines: Eyelid closure for comatose patients | 849 |
| | References and further reading | 850 |

| | | |
|-----------|--|------------|
| 24 | Personal hygiene: mouth care | 853 |
| | Reference material | 853 |
| | Procedure guidelines: Mouth care | 866 |
| | Problem solving: Mouth care | 869 |
| | References and further reading | 870 |
| 25 | Personal hygiene: skin care | 877 |
| | Reference material | 877 |
| | Procedure guidelines: Bed bathing a patient | 885 |
| | References and further reading | 888 |
| | Multiple choice questions | 891 |
| 26 | Positioning | 893 |
| | Reference material | 893 |
| | Principles of positioning | 894 |
| | Medical considerations | 895 |
| | Positioning in bed | 896 |
| | Procedure guidelines: Positioning the patient supine | 897 |
| | Procedure guidelines: Positioning the patient sitting in bed | 898 |
| | Procedure guidelines: Positioning the patient side lying | 900 |
| | Guidance for assisting patients to move | 901 |
| | Procedure guidelines: Moving from lying to sitting: assisting the patient | 902 |
| | Procedure guidelines: Positioning the patient in a chair | 904 |
| | Procedure guidelines: Moving from sitting to standing: assisting the patient | 905 |
| | Procedure guidelines: Walking: assisting the patient | 912 |
| | Procedure guidelines: Positioning to minimize the work of breathing | 913 |
| | Procedure guidelines: Positioning to maximize ventilation/perfusion (V/Q) matching and oxygenation | 914 |
| | Positioning of patients with cardiorespiratory compromise | 915 |
| | Positioning to maximize the drainage of respiratory secretions | 916 |
| | Positioning the patient with neurological impairment | 916 |
| | Procedure guidelines: Positioning the neurological patient with tonal problems | 920 |
| | Procedure guidelines: Positioning the preoperative and postoperative amputee patient | 923 |
| | Positioning and amputee management | 924 |
| | References and further reading | 925 |
| | Multiple choice questions | 930 |

| | | |
|-----------|---|-------------|
| 27 | Respiratory therapy | 932 |
| | Reference material | 933 |
| | Continuous positive airway pressure | 945 |
| | Reference material | 946 |
| | Hazards of oxygen therapy | 952 |
| | Procedure guidelines: Humidification for respiratory therapy | 953 |
| | Problem solving: Oxygen therapy by nasal cannulae or oxygen mask | 954 |
| | References and further reading | 955 |
| | Multiple choice questions | 958 |
| 28 | Specimen collection for microbiological analysis | 960 |
| | Reference material | 960 |
| | Procedure guidelines: Specimen collection: sputum swabs | 969 |
| | Procedure guidelines: Specimen collection: body fluid | 973 |
| | References and further reading | 976 |
| | Multiple choice questions | 980 |
| 29 | Tracheostomy care and laryngectomy care | 982 |
| | Tracheostomy and laryngectomy care | 982 |
| | Reference material | 982 |
| | Procedure guidelines: Tracheostomy dressing change | 1001 |
| | Procedure guidelines: Tracheostomy suction | 1002 |
| | Humidification | 1005 |
| | Procedure guidelines: Humidification of patient with tracheostomy | 1005 |
| | Problem solving: Tracheostomy | 1006 |
| | References and further reading | 1007 |
| | Multiple choice questions | 1011 |
| 30 | Transfusion of blood and blood products | 1013 |
| | Reference material | 1013 |
| | Procedure guidelines: Transfusion of blood components | 1036 |
| | Problem solving: Transfusion of blood components | 1039 |
| | References and further reading | 1040 |
| | Multiple choice questions | 1043 |
| 31 | The unconscious patient | 1045 |
| | Reference material | 1046 |
| | Procedure guidelines: Unconscious patient care | 1049 |

| | |
|---|-------------|
| References and further reading | 1052 |
| Multiple choice questions | 1054 |
| 32 Venepuncture | 1055 |
| Reference material | 1055 |
| Procedure guidelines: Venepuncture | 1065 |
| Problem solving: Venepuncture | 1071 |
| References and further reading | 1075 |
| Multiple choice questions | 1077 |
| 33 Violence: prevention and management | 1079 |
| Reference material | 1079 |
| Procedure guidelines: Violence: prevention and management | 1090 |
| References and further reading | 1093 |
| Multiple choice questions | 1096 |
| 34 Wound management | 1097 |
| Wound healing and management | 1097 |
| Reference material | 1097 |
| Pressure ulcers or decubitus ulcers | 1120 |
| Reference material | 1121 |
| Plastic surgery wounds | 1133 |
| Reference material | 1134 |
| Scarring | 1136 |
| Reference material | 1136 |
| Methods of wound closure | 1138 |
| Procedure guidelines: Wound dressings change for acute and surgical wounds | 1140 |
| Procedure guidelines: Sutures, clips or staples removal | 1141 |
| Procedure guidelines: Wound drain dressing (Redivac: closed drainage systems) | 1143 |
| Procedure guidelines: Change of vacuum drainage system | 1144 |
| Procedure guidelines: Wound drain removal (Yeates vacuum drainage system) | 1145 |
| Procedure guidelines: Wound drain shortening (Penrose: open drainage systems) | 1147 |
| Procedure guidelines: Topical negative pressure (TNP) therapy | 1147 |
| References and further reading | 1150 |
| Multiple choice questions | 1161 |

Appendices

| | |
|---|------|
| <i>Appendix 1: The Code: Standards of conduct, performance and ethics for nurses and midwives</i> | 1163 |
| <i>Appendix 2: Contributors to previous editions</i> | 1171 |
| <i>Appendix 3: Multiple choice answers</i> | 1176 |
